In July 2001, Mr. Wang was detained at the 545 Army Storage Facility in Jiamusi City for a month. In 2003, the hospital forced Mr. Wang to retire. They also withheld his professional certification.

On September 29, 2004, Mr. Wang and his wife Ms. Zhao Wenlin went back to his hometown, Wutonghe Farm, to pass out materials exposing the persecution of Falun Gong. They were both arrested. Ms. Zhao was detained in the Baoquanling Detention Center, while Mr. Wang was picked up by the 224 Hospital and detained there. He went on a hunger strike to protest the persecution. Department Director Dr. Liu Yingshan had four or five soldiers hold him down and forcibly inject him with a sleeping drug. They also brutally force-fed him.

On the morning of October 9, 2004, Mr. Wang escaped and left the hospital to avoid further persecution. The army posted a 100,000-yuan reward. In order to find Wang Jiping, more than a dozen practitioners were arrested in Jiamusi City, and many of them were sent to forced labor camps. On October 22, 2004, Mr. Wang Jiping was arrested, and taken to the Shenyang Army Region. He was sentenced to three years of forced labor and detained in the Lianqinbu Detention Center in the Shenyang Army Region until January 2005, then transferred to the Logistics Department Detention Center until August 2006, then transferred back to the Lianqinbu Detention Center again through December 2006. During his detention, groups of people came to pressure Mr. Wang to force him to renounce Falun Gong. As a result of abuse in detention, he was starving, and he appeared to have very high blood pressure, kidney failure, and uremia. Mr. Wang was released early, before his term ended, in December 2006. He was very weak and almost completely blind. He could not work, and his rental home was forcibly taken back by the army.

Introduction to Falun Dafa

Falun Dafa, also known as Falun Gong, is a practice for benefiting physical health and elevating the mind. Introduced by Mr. Li Hongzhi in China, the practice consists of five gentle exercises including meditation, and diligent effort on the part of practitioners to follow the universal principles of Truthfulness-Compassion-Forbearance in daily life. Falun Gong is not only beneficial to one's own health and well-being, it also benefits others. Although the practice originated in China, today it is practiced throughout the world by people of all races and walks of life. In the face of the most brutal and vicious persecution perpetrated on them by the Chinese Communist Party, Falun Gong practitioners have found the spiritual strength to resist peacefully and tirelessly by upholding the principles of Truthfulness-Compassion-Forbearance.

Councilman Tejada and his daughter

Councilman Tejada was deeply and visibly moved by the show, saying, "It's just wonderful. It touched my heart, it touched my sentiments. The beauty of human beings, the color, the beauty of the Chinese culture, it is unbelievable. The show has touched me that way. The whole show, from the beginning to the end, impressed me."

The Councilman said that three words came to mind after viewing the show: "Hope, compassion, and beauty. Now I can see the beauty of the human being in a more ... I can see it clearly now. The interaction between human beings and the Heavenly figure in the show was unbelievable."

He felt that the show carries a message of hope to a troubled world. "In a word: everywhere you go there are problems, economic crisis and people have lost hope. But this show shows you – for those who had the opportunity to watch it – that there is a light after the end of the tunnel. The show is a light after the tunnel, for sure."

He continued, "And the word of hope, the word of beauty, is all present in the show. Not only does [Shen Yun] show you the value of the Chinese culture, but it also shows you the value of the word hope, the value of the word beauty, and the value of the word compassion."

Mr. Tejada's daughter, who also attended the show, said she was "totally blown away." "I had never seen anything like that, ever, and I go to plays all of the time – musicals, everything – and I have ever seen anything like that. It was great. It was like Dad said: perfection."
